TO FULFILL OUR CUSTOMERS' EXPECTATIONS AND NEEDS.

Above all we want to:

1. **ENSURE EFFICACY, EFFICIENCY AND RELIABILITY** by all necessary means according to diligence and honesty principles;
2. **PLAN AND COORDINATE THE PRODUCTION** flow properly;
3. **MONITOR THE PRODUCTION FLOW** to spot possible weaknesses constantly;
4. **INVEST PEOPLE WITH RESPONSIBILITY:** everyone must be aware of their responsibilities paying attention at their duty as part of the whole production process;
5. **PREVENT AND CORRECT LIKELY COMPLICATED OR NO COMPLIANT EVENTS** by analysing, sorting out any problems which prevent from reaching the goals and finding new technological solutions;
6. **WORK COMMITTED TO FULFIL THE QUALITY POLICY STANDARDS AND RULES** in order to guarantee the efficacy and efficiency of the Quality;
7. **PERSUE THE CONSTANT IMPROVEMENT OF OUR TECHNOLOGIES** (plants, machineries, analysis techniques and test and control systems).
8. **FAVOUR CERTIFIED SUPPLIERS WHOSE AIM IS THE CONSTANT IMPROVEMENT** in quality focusing on the best price-quality ratio.
9. **REVIEW COMPANY POLICY, INDICATORS AND GOALS PERIODICALLY** to pay attention to activities and possibly intervene to improve.
10. **BEING A TRUSTWORTHY PARTNER TO OUR CUSTOMERS** beyond the business relationship and being able to fulfil their needs.

To achieve these goals, the management is committed to:

- Guarantee the respect of the Quality Policy at all levels in the company;
- Reach the company goals by means and human resources required;
- Encourage every employee's skills and assure the best work atmosphere;
- Make all the employees being taught and aware about the safety standards.
